Information about this Request for Coverage of a Non-Formulary Drug (Formulary Exception)

Use this form to request coverage of a drug that is not on the member's formulary.

*To view a list of the available formulary alternatives, visit www.regence.com/medicare and search for the patient's appropriate Medicare health plan.

To process this request, documentation that all formulary alternatives have been previously tried, would not be as effective or would have adverse effects is required. Please provide clinical information or other evidence supporting the medical necessity of the non-formulary drug.

You can expedite this request by indicating its urgency at the top of the attached form. If you request an expedited review and sign the attached form, you certify that applying the 72 hour standard review time frame may seriously harm the member's life, health, or ability to regain maximum function.
